

Granting access to supercomputer PRELOG

User data:

Institution: _____

Project team or laboratory: _____

Status (faculty, student, MR, external collaborator, JRO, company): _____

Name and surname: _____

Email: _____

Phone: _____

Mentor (compulsory for students): _____

Project or purpose of access: _____

Group or project leader: _____

Account duration (cancellation date): _____

HPC Terms of Use:

I agree to the terms of use of HPCFS PRELOG (next page of this form)

Date: _____

Signature: _____

Account allocation approved by: _____

Date: _____

Signature: _____

HPC account type (optional) :

New account

Account extension

Desired username (username - first letter of first and last name): _____

Project group (group ID): _____

Intended use of the LUSTRE parallel file system (yes / no / capacity): _____

Project source code management (Subversion or Git with TRAC interface - yes / no / other): _____

Project abbreviation for TRAC interface (eg <http://projekt.hpc.fs.uni-lj.si>): _____

Webdav web directory (<http://forge.hpc.fs.uni-lj.si/username> - yes / no): _____

Non-standard software and libraries: _____

Previous HPC experience (I also have an account in __, programming languages, ...): _____

Additional wishes: _____

Terms of use HPCFS PRELOG

The user is solely responsible for the use of computing resources, communication devices and the public communications network in accordance with public regulations, attestations and standards and is also responsible for any irregularities, illegalities or damage that may result from his improper conduct. The undersigned may use the assigned invoice within the approved project, his / her own research work, or study at UL FS. The following shall be considered inadmissible use of the assigned account:

- 1. providing access to the network to third parties,*
- 2. an attempt to obtain and use access granted to another user,*
- 3. e-mail advertising and sending chain letters,*
- 4. use of network access for gainful activities outside the approved project or the approved purpose of access,*
- 5. intentionally disrupting and disabling the work of other network users,*
- 6. destruction and alteration of data owned by other users,*
- 7. breach of confidentiality or publication of information owned by other users,*
- 8. publishing and sending data that infringes copyright (films, music...),*
- 9. creating, sending or publishing information with offensive or pornographic content,*
- 10. providing false or misleading personal data to online services that require such data in use,*
- 11. use of services not intended for public use,*
- 12. the use of programs or procedures the purpose or effect of which is to impair the integrity and stable operation of a computer, computer system, or network;*
- 13. usage of unlicensed programs.*

In the event of unauthorized use by the user, UL FS may terminate the assigned user account without prior notice. UL FS will, in accordance with the applicable legislation, provide information on the violator to the relevant authorities. The undersigned must be aware that in the event of inadmissible use of this account, he may also be criminally and materially liable.

You can send the correctly completed first page of the form by e-mail hpc@hpc.fs.uni-lj.si or fax +386 1 4771156. Users can also bring the form in person to the Computer Center FS.
