Subject: Letter of support for membership of the University of Ljubljana, Faculty of Mechanical Engineering in PRACE

Dear Sirs,

University of Ljubljana, Faculty of Mechanical Engineering (UL FME) has the biggest HPC in Slovenian educational environment.

In order to get a better support in integration of Slovenian research and educational institutions within EU HPC services, we support the membership of UL FME in PRACE since UL FME will be in charge of the management and/or coordination of the provision of HPC services and is appointed and supported to represent Slovenia in the PRACE AISBL.

Yours Sincerely,

Republic of Slovenia
